

# Environmental Leadership

## L3 Leading a Project for Positive Change

*“This course will empower learners to take positive action to improve their environment, including transferrable skills to catalyse change in their communities and beyond.”*

**Age 16+, minimum 50 hours learning**

### What to expect

- ✓ Working with positive tutors who are passionate about the environment
- ✓ Practical sessions in our wonderful woodland on the edge of Torquay
- ✓ Learn the leadership skills needed to run a successful project
- ✓ Decide what environmental action you want to take - and do it!
- ✓ Work as part of a team to plan and deliver your own environmental project
- ✓ Evaluate your project and share it with the world!
